## **Abstract:**

*Tourism is one of the businesses, attracting to the tourists, entertainment. Tourism may be worldwide visiting new places. If whenever feel happy, enjoy, entertainment. It is also one of the revenue generate to the Government. In the year 2000, tourism faces struggles at the time a strong economic slowdown. After that, in the year 2000 to 2009 periods, slowly recovered. Tourism may be people travelling one of the fun for the public. The people where stay with accommodation called resorts.*

**Keywords:** *pleasure, nations economies, tourists, tourism place, safety for tourists.*

## **Introduction:**

International tourism can be the backbone of the nations economies and underline a country's cultural influence. In 2017, more than 1.3 billion tourists spent over \$ 1 trillion around the globe, according to the world tourism organization. Tourism is a leading global industry, contributing to a significant protection of world production, trade, investment and

employment. International for travel for recreational, leisure or business purpose has become one of the fastest growing economic activities worldwide.

### **Need of the study:**

It is also one of the idea of visiting tourists. The purpose of the study is to understand about sustainable tourism. Tourists visiting new places from one destination to another destination, one country to another country, which means to develop the economic and social growth.

### **Objectives of the study:**

1. To know the impact of globalization on tourism with nations economy.
2. To identify the best destination do travel tourists.

### **Methodology:**

In this data collected information through newspapers, Journals, reference books and so on, used the primary and secondary data. Hypothesis are the tentative statements, the validity of which remains to be tested.

Hypotheses are conjectures, invalidated assumptions that provide direction to any research study.

**Ho:**The tourists visit new places from one destination to another destination, generate revenue for the Government.

**H1:** The touristsno visit new places from one destination to another destination no revenue from touristsfor the Government.

### **The World Travels and more Tourists are headed, US Top Destination for spending:**

Visitors spend the most in the US by a massive margin with its many attraction including Disneyland, Yellowstone National Park, and the country's highest rated tourist spot, Central Park. According to table, US is the first destination for spending (\$210.7) and visitors 74.7 million tourists are visited. International visitors. Spain is the second destination for spending (\$68) and 81.8 million tourists are visited. France is third destination for spending (\$60.7) and visitors 86.9 million international tourists. Thailand is the fourth destination for spending (\$57.5) and visitors 35.4 million tourists. Australia is the seventh destination for spending (\$41.7) and visitors 8.9 million. Particularly India is thirteenth destination for spending (\$27.5) and visitors 10.2 million tourists.

**Macao and Hong Kong**, both independently administrated regions of China, beat the mainland in terms of dollars spent though China gets more visitors.

**Australia gets the most bang for the buck**, Australia's size and distance from the rest of the world mean visitors are likely to make the most of a trip. Longer vacations to the island nation likely contribute to the high average spending though it only saw 8.9 million visitors in 2017. According to Table numbers 1 and 2, which country spent in \$ billions and how many tourists are visited Internationally, the following table.

**Table No: 1 US TOP DESTINATION FOR SPENDING**

S.No	Country Name	Dollars spent (in \$ billions)	International visitors (in Millions)
1	United States	210.7	74.7
2	Spain	68	81.8
3	France	60.7	86.9
4	Thailand	57.5	35.4
5	UK	51.2	37.6
6	Italy	44.2	58.3
7	Australia	41.7	8.9
8	Germany	39.8	37.5
9	Macao	35.6	17.3
10	Japan	34.1	28.7
11	Hong Kong	33.3	27.9
12	China	32.6	60.7
<b>13</b>	<b>INDIA</b>	<b>27.4</b>	<b>10.2</b>
14	Turkey	22.5	37.6
15	Mexico	21.3	39.3

**Table No: 2 Visitors are spending more in India**

S.No	Year	Amount Spent (\$ billions)	No. of Foreign visitors(in Millions)
1	2008	11.8	5.3
2	2009	11.1	5.2
3	2010	14.2	5.8
4	2011	16.6	6.3
5	2012	17.7	6.6
6	2013	18.4	6.9
7	2014	20.2	7.7
8	2015	21	8.0
9	2016	22.9	8.8
10	2017	27.7	10.2

(Source: Visual Capitalist, Ministry of Tourism)

**Findings:**

The country US is the top destination for spending and second country is Spain for spending. Mexico is the least country for spending. Safety also most important for tourists, because of some tourism countries unsafe. So, US country may be safest destination to visit tourism place in the world.

**Suggestion:**

Tourism is one of the powerful techniques because of tourists using by Airplanes, ships. Especially for the students for higher studies purpose and as well as enjoy purpose, all tourism places and gained more knowledge because of world top most universities also available in the other countries. US, Australia, Germany, Japan, Singapore, Malaysia, UK, France and so on.

**Conclusion:**

It concludes that, tourism is one of the entertainments, and enjoy for the tourists. What observed in this case study, the country US is the top most destinations for visiting tourism place, according to world ranking educational institutions international standard education.
